

BUSINESS IN WARRINGAH

November Business Breakfast

Tuesday 21st November 2006

Achieving a lifestyle/work balance is something we all strive for. Living on the northern beaches we have a great opportunity to combine our working life with a fantastic beach culture. Ed Horton of Stable Properties, a peninsular based property development business will be speaking about the Triple Bottom Line approach to an equitable balance between community, the environment and finance – delivering that elusive balance we search for in our lives today.

Christmas Lights Competition

It's time to get your lights up for this years Warringah Chamber of Commerce Christmas Lights Competition. Get into the Christmas spirit and decorate the front window of your business. Trophies and prizes will be won for the most imaginative Christmas lighting displays. Have your lights up by Friday 8th December for your chance to win. So don't be the only business without lights! Contact the Chamber on 0402 819 031 for more information on how you can join in the Christmas spirit.

Charity Surfboard Auction

As part of our November breakfast we are having a special charity auction. Proceeds will be donated to the Layne Beachley Aim For The Stars Foundation.

The foundation provides young Australian women with moral and financial support so they have the opportunity to excel in their chosen field – whether it be sports, arts, business or the community.

Up for grabs is a surfboard signed by all the celebrities who participated in the "Lifestyle Working Celebrity Surf Off" as part of the Havaianas Beachley Classic at Manly on the 15th of October. The board has been signed by Layne Beachley, Megan Gale, Jamie Durie, Barton Lynch and many others.
