Presidents comments

Thank you to the members that attended the recent networking after hours and our hosts at Rent a Space, the hospitality and information was excellent.

Defining your business and being able to deliver your elevator pitch in 60 seconds is an important promotional tool and members who attended the "Speaking Up" workshop showed their creativity and love for their business with unique one line statements. The interaction and camaraderie helped members develop statements that...brighten peoples day, make people feel amazing and mind other peoples business.

Warringah Chamber of Commerce is for business owners looking for support, guidance and networking opportunities to build their business, join us at the next breakfast and be part of an energetic and positive team. Your business is our business.

Thank you to all chamber members for their support.

April Business Breakfast

Tues Apr 8 is our next breakfast with guest speaker Robert Gerrish on "Work less, achieve more". Robert has been a business commentator on ABC Four Corners, Channel 9's A Current Affair, Sky Business, 2UE and ABC Radio and writes a regular column for News Ltd.

There's a myth in the world of business that if you're not working extremely hard, you're not really working at all. This presentation will seek to dispel this line of thinking by exploring a way of working that focuses not on how much you do, but what you do and how you do it.
