## President's comments

### A positive year

Warringah Chamber of Commerce experienced an excellent year in many ways. Profile Health provided premises for the chamber office and Rent a Space assisted with the move; the Travelodge also helped out with a meeting room; great support from three excellent organisations!

It was really satisfying to see a successful Jobs Fair and an increase in attendances at all functions with a terrific blend of new and long serving members supporting the Chamber and the community. Where would we be without small business?

Small business owners who "do it all" have one more hat to wear... Santa's. Enjoy your celebrations with your staff, family and friends; you have put in another tremendous effort. Remember the alcohol in moderation theme especially around children.

Merry Christmas

**Stephen Robertson**

President Warringah Chamber of Commerce
