President's comments

Warringah Chamber of Commerce members showed tremendous support for the bush fire appeal with around \$900 cash and truck loads of clothing, blankets and items donated to help the many people affected. Several people allocated many hours of their time to coordinate the collection and delivery of the items. Thank you to all involved.

Membership has been climbing with enthusiastic business owners taking advantage of the educational business breakfasts and networking opportunities and Warringah Chamber provides new businesses with start up rates to membership. In these changing times joining the Chamber will provide you several avenues to grow your business.

Contact Sue who will be able to answer your questions on 0402 819 031. Several new buildings have freshened the face of Dee Why town centre and Warringah Chamber of Commerce is keen and eager to see the face lift continue and for all involved to make the process as smooth as possible.

Best Regards

Stephen Robertson
