President's comments

POSITIVE IMPACT

The recent triple expo was excellent for the business community and residents of the Northern Beaches. Congratulations Harris Taimaiono from Display Networks and a Warringah Chamber member for an excellent business and community event. Many other members participated and attended and it is this support that builds relationships and business.

Warringah Council presented their "Warringah at Work" budget to Warringah Chamber members and this highlighted excellent strategies to revive Dee Why and cope with the demands of the financial situation. It was also very positive understanding the roles of the General Manager, the Mayor and Councillors and Warringah Chamber encourages business owners and residents to attend future meetings.

The safety precinct meeting at Dee Why police station highlighted the need for care with alcohol consumption around children and the Chamber endorses their encouragement of sporting bodies to restrict alcohol consumption at children's sporting events.

Thank you too Warringah Chamber members for having a Positive Impact.

Stephen Robertson

President, Warringah Chamber of Commerce
