## Presidents Comments

### TRUST THE PROCESS AND LET GO

In business many of us are guilty of trying to do it all and with a multitude of reasons to justify it. Other people are screaming for an opportunity to unleash their talents and skills and explore/expand their abilities. With your guidance, support and encouragement people will flourish with increased self worth and skill. Trust the process and let go.

After 2 years as President it is time for me to let go and allow the next person to flourish on their journey through business and life. My faith in human nature and people was continually strengthened with terrific support and acceptance from the entire Chamber Team, the members attending functions, the several sponsors we attracted, the visitors who joined in and readers of this column. Thank you all.

Let go of something and enjoy watching someone flourish and become a human diamond. See you at the AGM next week.

Best regards

**STEPHEN ROBERTSON**
