SPRING INTO ACTION

The newly appointed and energised Warringah Chamber Executive Team is embracing the new Spring air. I'm honoured to be leading such a talented team. We are getting out and about meeting the local business community talking about an action packed month of events and the business advisory service. There is no better time for you to maximize these opportunities.

The Northern Beaches Jobs Fair on Fri, 18th Sept matches up local employers and job seekers. Last year over 600 job seekers attended and local businesses were easily able to hire. It is very cost effective: www.sydneyjobsfairs.com.au.

September is Small Business month so why not take advantage of over 300 educational workshops: www.smallbusinessmonth.nsw.gov.au.

Put Spring into your step and your business and reserve a spot at September's events.
