Annual General Meeting for Warringah Chamber

Hello Members

Our Annual General Meeting is set for Tuesday, 16th August 2011 at 7.30 am until 9.15 am at the Warringah Golf Club. Members will hear a review of the last 12 months covering operations and financials. The current Executive Committee will step down and the new committee will be elected.

Being part of the Executive Committee gets you involved in the local business community and I believe it is personally rewarding. You will develop committee participation skills, contribute to running events and engage with the local community. All roles on the committee are voluntary. Hours for each role varies and we encourage sharing of roles to spread the workload.

If you think you would like to become more involved in the Chamber either as an Executive Committee member or as a volunteer with events please contact myself or any of the current committee.

See you at the next event.
